GABBARD RESIGNS AS US INTELLIGENCE CHIEF

In a major shake-up in President Donald Trump's administration, US National Intelligence Director Tulsi Gabbard has resigned, according to reports. As per her resignation letter, quoted by Fox News, Gabbard resigned to support her husband through his battle with "an extremely rare form of bone cancer". Gabbard, a former Democratic congresswoman, had served as Trump's top intelligence official since February 2025.

A "spacious" hall where the sofa and TV adjust for space.

A balcony that's a laundry zone... with a "garden view" by one small plant.

Pakkad mane folks so close... they and their noses live in your business.

Kids adjusting between corridors and car parks for play area.

"Prime location" that's still not connected to everything important.

What if life was less about swalpa adjusting... and a lot more about living?
